

**BPS Career and Technical Education
CTE-CHOICE Programs by Geographic Area
SY 2012-2013**

The CTE-CHOICE program provides an opportunity for students to participate in a specific career and technical education program not offered at their zoned high school. The CTE-CHOICE program has been created to give students more options or choices.

Listed below are the CTE-CHOICE sequential programs offered at each high school. Transportation may be arranged for part-time CTE-CHOICE students if needed in order to attend a CTE-CHOICE program. Please refer to the CTE-CHOICE Questions and Answers document for more information.

High School		Secondary or Postsecondary credit
