CTE-CHOICE CAREER ACADEMIES SY 2011-2012

Career academies are small, personalized learning communities within a high school that integrate rigorous core academic subjects with career and technical courses. The career academies listed below are open to CHOICE students and require a career academy application as well as a CTE-CHOICE application. Please contact the high school's career academy coordinator for more information about specific career academies and to request an application. Applications to CHOICE career academies are due to respective high schools by 4:00 pm on February 4, 2011.

IMPORTANT: Students who CHOICE to a career academy must attend the requested school as a full-time student. Transportation is not provided for students who CHOICE to career academies.
